"Walking On Water"

Matthew 14:22-33 (Guest Bible p. 692)

Walking on water involves:

1. Conquering Our Fears (vv 24-26)

Fear has prevented people from stepping out
of their boat.

God is never surprised by our storms.

2. Committing Ourselves To Jesus (v 27)

The only real safe place to be is in the presence
of Jesus.

It is safer on the waves with Jesus than in the boat
without Jesus.

3. Coming Out Of The Boat To Jesus (v 29)

Walking with Jesus on the water is more exciting than
sitting in the boat.

God is still saying to each of us, "come join me"

4. Constant Faith In Jesus (vv 30-31)

It takes faith to step out of the boat and walk on water.
